

Careriq™ OE

Dicaprylyl Ether

Identification

INCI	Dicaprylyl Ether
CAS	629-82-3
Molecular wt.	242.44
Formula	C ₁₆ H ₃₄ O

Packaging

15 kg can
165kg drum

Shelf Life

2 years

Function

- Emollient
- Skin Conditioning
- Silicone Alternative

Description

Careriq™ OE is fast spreading emollient which can be natural silicone alternative. It helps to reduce greasy texture and gives light feeling.

Specification

Appearance	Colorless clear liquid
Odor	Almost odorless
Color (APHA)	≤20
Purity (%)	≥99.0
Peroxide value (meq/kg)	≤1
Viscosity (20°C, cP)	2.0~5.0
Specific gravity (20°C)	0.800~0.815
Acid value (mg KOH/g)	≤0.5

Application

Skin care, Cleansing, Sun care, Hair care
